MYO MYAT THU

Front End Developer

About Me

I am a software developer skilled in Python, JavaScript ,React, Vuejs and Nextjs, with additional experience using tools like Google Suite, Microsoft Office, and Canva. Currently, I am pursuing a Bachelor's degree in Information and Communication Technology at Rangsit University, building on my foundation from a diploma at PSB Academy. Alongside my technical expertise, I have experience in digital, event, and growth marketing. I am passionate about coding, DevOps, and continuous personal growth, with interests that include graphic design, hiking, dancing, and personal investing.
